Profile

I am a self motivated multimedia professional with a Bachelor's degree in AudioVisual Arts, with 6 years of experience as IT Administrator and Multimedia Producer at the International Theological Institute, Trumau NÖ. I am a creative, hardworking, active, honest, responsible and reliable person, as well as one who learns and adapts fast in the business environment.

I am looking for a career advancement opportunity with a company that will allow me to develop my knowledge and potential.

Experience

10/2017 - Present

Professional Photographer, Self-employed; Austria

Opened own small business as Professional Photographer. Working on event photography, wedding, corporate headshots, passport pictures, family portraits.

04/2014 - Present

IT Administrator and Multimedia Producer, International Theology Institute; Austria
Administrator of the Institute's *Windows Server* (2003 and 2012), client accounts, creating and managing student wifi user and GSuite accounts, providing phone support, troubleshooting, setting up new PC's and laptops, printers, organising files on the server, repairing or replacing hardware components, recording and publishing public lectures on the ITI website and YouTube channel, designing brochures to promote studies at the ITI.

09/2008 - Present

Filmmaker, Freelance; Lithuania-Austria

Working on various projects, music videos, capturing and delivering conferences, theatrical plays, making short presentational videos, animations and commercials. As a camera man I have worked for a regional Lithuanian TV station filming concerts and shows.

07/2012 - 12/2013

Editor/Camera Man, 3LTV; Austria

Traveling to different events all over Austria setting up live broadcasts and webcasts, as well as being main live video mix editor and camera man. Work included musicals, talks and concerts.
